A LUXURY OUTDOOR EXPERIENCE

Welcome to Nootka Wilderness Lodge

Thank you for thinking of us at Nootka Wilderness Lodge!

At NWL we are committed to helping you plan an incredible adventure. We firmly believe that Nootka Sound is the very best place on the coast for salmon and halibut fishing, kayaking, hiking, and other outdoor adventures

Getting Started

What sets us apart from the other lodges up and down the west coast is the quality of product we offer. The 4-day / 3-night all-inclusive package we offer in our regular season (July and August) includes:

- ✦ Shuttle service to and from the Campbell River and Comox Airports
- ✦ Fully guided fishing and other adventures out of covered cruiser boats ranging in size from 27' to 33' ft (Grady White or equivalent – with full bathrooms)
- ✦ Gourmet meals prepared by our personal chef to your specifications
- ✦ Non-alcoholic beverages and snacks are always available
- ✦ Hotel style accommodations, each room has a private bath
- ✦ Fishing licenses and all fishing gear (including rain gear, if necessary)

Our resort is only open during the summer season which is June, July, August, and September. At that time of year the fishing is second to none with King (Chinook) salmon averaging 25 to 55 lbs, mixed with Coho (Silver) salmon ranging in size from 8 to 20 lbs. The abundance of fish is hard to match.

Our Commitment to You

We are proud of our reputation for providing the best fishing and outdoor adventures and service on the coast. We would like to work closely with you to help you plan the most memorable experience possible.

The quality of our boats, our professional guides, our staff, along with the world-class fishing, outdoor activities and the resort itself are what our reputation has been built on.
